# 33rd International Conference on VLSI Design

## 19th International Conference on Embedded Design

January 4 – 8 , 2020, Leela Palace, Bengaluru, India

**The 33rd International Conference on VLSI Design & The 19th International Conference on Embedded Design (VLSID 2020)** will host a Student Research Forum, providing a unique networking opportunity where undergraduate/postgraduate/Ph.D. students can present posters with their research/thesis work to a broad audience in the VLSI and Embedded Systems community from both industry and academia. The Student Research Forum will help students establish contacts for entering the job market as well research oppurtunities. Additionally, representatives from industry and academia will get a glance of cutting-edge research performed by the future leaders of the VLSI and Embedded Systems community.

**Eligibility**
- Students who are currently enrolled in undergraduate/postgraduate/Ph.D. programs.
- Research topics of relevance to VLSID community.

**Submission Guidelines**
Please submit an abstract (preferably in the IEEE conference format) describing the problem(s) addressed, key results, and novelty of solution(s). Focus should be on the technical challenges and the originality and quality of the solutions.
- Page limit: 3. Please do not exceed the 3-page limit (typically, 1- or 2-page abstracts are expected).
- The submission can include author information (student and advisor).
- A single PDF file should be submitted under the track of Student Research Forum (SRF).

**Selection Criteria: Abstracts will be selected based on the quality of work, its relevance to the** conference and the publication record of the student in major journals/international conferences.

**Participation:** As the Student Research forum is co-located with the main conference, there is no additional registration needed.

**Presentation:** Accepted poster author/s need to present their posters during the conference. There will be a Best Poster award that will be decided by the Student Research forum committee.

**Benefits to the Selected Researchers:**
- Presentation in the Student Research Forum poster session.
- Travel support for selected researchers.
- Networking with presenters from industry and academia.
- Opportunity to publicize work, distribute   yers summarizing Research work.
- Best Student Research Forum poster award will be presented during conference banquet. Award will be based on the quality of the research, and presentation.

**Important Dates:**

| | |
|---|---|
| Abstract Submission: | 10th November |
| Notification of Acceptance: | 25th November |
| Final Poster Submission: | 15th December |
